### Description

Finely chiseled, in the shape of a medallion, it is surmounted by foliage motifs. The back opens with tabs to allow the installation of the photo or miniatures behind the glass. I adorned it with old sheets of hand-marbled paper for bookbinding. Delightful with its multitude of mixed colors! A crutch at the back of each of them allows them to be placed on a piece of furniture. They can also be hung on the wall using their suspension ring. This beautifully crafted frame has its original lenses. Period late nineteenth, early twentieth century. Dimensions: Length: 14.7 cm Height: 9 cm View diameter: 7 cm The set is in good condition. A small missing part at the back. The frame is old, the legs at the back should therefore be handled with care. Many other objects to discover in my stand at the antique fairs in which
