Description

Henriette Let (19th/20th century): "Beach with rocks", watercolor 54 X 38 cm under passe-partout 46 X 56 cm. Monogrammed and dated 1902. Canson-type paper pasted on a cardboard having been hung (holes), the marie-louise too biting for an idiotic question of homothety with the old frame, acidified the watercolor in the parts which were covered, browning them. A dedication on the back tells us that it is the work of Henriette LET and dates from February 1902. Do not hesitate to ask us for photos or additional information by email or telephone.
