Height : cadre 44cm vue 25cm

Description

Elegant painting on cardboard from the 20th century representing Talmont sur Gironde. Presented in a wooden frame and gilded stick, this painting represents a beach at low tide discovering the rocks with the church of Talmont in the background. The colors of the soft and luminous sunset give a relaxing atmosphere to this painting. Very decorative and of good quality, it is signed lower left L. PICHAUX.
