Description

Louis Hilaire Carrand, landscape around 1850.
Oil on canvas signed lower left. Carrand, Lyonnais painter is present in many institutions. This landscape with an eventful sky is in line with the productions of Carrand at the time when with Ravier and Vernay they formed the small group of Lyonnais painters close to Barbizon. The touch and the way of treating the landscape is quite modern for the time. Format of the frame 53.5x 45 cm Dimensions with the frame 55 x 64 cm
