Description

Very beautiful item from the shadow theater "Wayang Kulit", of good size. It is completely cut and painted by hand from the following decor. The doors of a house or a temple are firmly guarded by armed warriors. Above the roof rise two directions. One leading to a lion, the other to a buffalo. The whole is surmounted by a grimacing divinity, with multiple arms, a number of details in the clouds, monkeys and birds. On the back, a black star at its top, a white divinity at its base.
Antique working, probably 19th century, Bali Indonesia. Very good condition, . I noticed a small lack of leather, I didn't see more. Some polychrome lacks, nothing serious.
Dimensions: 81cm H x 44cm wide
