Bobo Fing Mask, Burkina Faso

2 200 EUR

Signature : Bobo Fing

Period : 20th century

Condition : Etat d'usage

Length :

Height : 32 cm

Description

"Nwenke" type mask presenting an impassive and very balanced face. It is adorned with scarifications and is surmounted by a sagittal crest. Nails remain stuck in the forehead which indicates that it must have been adorned with a metal plate as is sometimes the case for this type of mask. Dense wood with patina of use, slight splits.
Height: 32cm
