Description

** Goldsmith Art Miele & Co 11 Boulevard des Italiens PARIS **

Set of ten very beautiful small Spoons with Mocha Model from the Art-Nouveau period.

* Circa 1900 *

The sleeves bear a hallmark that I cannot identify, perhaps the German factory, La Jugendstil WMF.

The naturalistic model is really beautiful; the sleeves are decorated openly in imitation of branches and intertwined foliage, their ends are decorated with a flower; the cuilleron takes the form of a branch of foliage (Sold for silver metal and gilt cuilleron the gilding in used condition).

** In good condition **

Length: 10.4 cm / Total weight: 103 g
