### Description

Bronze subject with golden patina representing Napoleon Bonaparte. The emperor is represented standing, his right leg slightly bent, his arms crossed. He wears the uniform of the officers of the Imperial Guard, with high boots and a braided jacket, and wears his famous cocked hat. The set rests on a square base in two-tone pink and gray marble. This bronze, small in size but with precise details, will subtly decorate a desk, and can also be used as a paperweight, on occasion.
