### Description

Large console from the First Empire period (around 1810), in mahogany and mahogany veneer. Very rare, columns with balls are highly sought after, flat pilasters at the back. A large frieze drawer. Tablet connecting the four legs. Trim of gilded bronzes with Empire motifs for the keyhole and the rings of the columns. Very beautiful original turquin blue marble, in good condition. Furniture in good condition, restored and varnished by our workshop. The statue placed on the console is for sale on our gallery. Delivery possible, please contact us.
