Description

An interesting rotating cigar holder. The movable door can be opened and closed by means of a mechanism operated by a button located at the top. The stand also has a drawer for matches, for example. It is made of black lacquered wood, with the image intricately painted with tinted, embossed, gold, and mother-of-pearl encrusted lacquer. Japan, Meiji era (1868-1912). Height 32 cm, diameter 16 cm. Good state of conservation, small frictions and losses in the decoration. Free delivery in EU. ! I send parcels by insured courier (DPD or DHL). All items are packaged very carefully. As for payment, the most convenient for me is bank transfer. Between EU countries it is usually free and arrives within 1-2 days.
