Description

Antique 19th century mirror in wood gilded with fine gold and dark red/burgundy lacquer. The mirror is restored, it was in very bad condition, our workshop brought it back to life with traditional gilding techniques. We gave it a touch of modernity with a touch of color. The ice is old mercury, in good condition. The back of the mirror says "parquet" when it was replaced. Dimensions: 81x75x7cm. For delivery, free personal delivery on Charlieu and its surroundings. Rest of France on estimate.
