Description

Large sculpture in metal art (regule) patinated bronze representing a warrior ringing the oliphant. A work of great strength and power. The proportions are right and highlight this man. The rectitude of the Art Deco movement is just felt as it should be by registering this sculpture in the time of its creation, the 1930s. Marble base of different colors. Signed Gibert at the tip on the marble. Very good state. Delivery in wooden crate by carrier, 100 euros in France, 200 euros in the EU and 600 euros rest of the world.
