Description

60s crystal and metal suspension. Of good quality.

The frame is in gold metal with matt black lacquer parts.

The ball is made of molded crystal with triangular patterns in relief for better light diffraction.

The electrical system has been redone in our workshops (wire changed, original B22 socket in good condition).

The golden metal part has some pitting and mini scratches that are practically invisible when the luminaire is hung from the ceiling

Dimensions: Height 38.5 cm

Diameter of the ball 15 cm
