Description

Rare panel in earthenware tiles by the Quimper ceramist Patrick Chaussepied (1937)

Few ceramic pieces appear on the market because, to my knowledge, Patrick Chaussepied quickly turned to teaching, his production remaining in a family circle.

biographical information on his Facebook page except "Patrik Chaussepied, born November 6, 1937 in Quimper, began with studies in the fine arts of Quimper, ceramist by trade, he turned to teaching"

This panel is superb and of good size: 46 cm x 62 cm.
