Martinet Exotic Bird Triptych

850 EUR

Signature : Martinet

Period : 19th century

Condition : Très bon état

Length : 79x41. 26x21

Description

Very nice series of three original and annotated engravings by Martinet. Here exotic birds with remarkable plumage colors! Here we have as a bird a savacou, jacamar and martin Pecheur des îles. Very decorative with a pretty mahogany veneer frame. And their protective glass. Total format of 79x41 cm and for the engravings of 26x21 cm each. Visually stunning and very decorative! Private collection of an exotic bird lover!
