Description

This striking mantel clock is a fine example of the Empire style, a period characterized by its grandeur and inspiration from classical antiquity. The clock showcases a masterful combination of materials and craftsmanship, resulting in a piece that is both visually stunning and functionally versatile.

The clock features a striking combination of materials, likely including marble, gilt bronze, and possibly porcelain. The base of the clock is likely made of marble, providing a luxurious and elegant foundation. The clock face, likely made of enamel, is framed by a decorative surround, possibly featuring motifs inspired by Greek or Roman architecture.

The clock incorporates decorative elements such as urns, stylized floral motifs, and possibly
