Description

Beautiful pastel representing a bouquet of flowers in a vase placed on an entablature. The pastel is signed lower right, signature that I could not identify. It is framed in a beautiful frame from the end of the 18th century in molded oak and gilded stucco decorated with a frieze of acanthus leaves, which has been shortened to be adapted to pastel. The frame has some accidents and restorations. Dimensions without frame 53.5 x 41 cm
