

Small Beaded Lantern With A Fire, Circa 1900

340 EUR

Period : 20th century

Condition : En l'état

Diameter : 26 cm

Height : 26 cm

Description

Lovely little lantern, wrought iron frame, covered with a trellis of fine pearls, with a light, ideal for an entrance or a small room, Charlant small old light, The frame has slightly browned and the pearls are slightly clouded by time , it is still very pretty
