Description

Very beautiful decorative dish in Limoges porcelain entirely hand painted. The decor is very original, it is divided into two parts. The lower part represents an architectural landscape under the mist. The upper part shows us a splendid delicately painted floral decoration. The perimeter is contoured in shape with a degraded old gold edging. Our dish comes from the Bernardaud factory in Limoges. It bears the signature of its decorator "Marc" at the bottom of the bouquet on the right. On the back of the dish, two holes in the upper part have been drilled to facilitate its
