Description

Cachepot from the Sarreguemines earthenware factory stamped Sarreguemines looting and monogrammed A and numbered 1494 and 4. The decorations represent scenes of Chinese life in blue color on a white background, from the late 19th century. Between each scene we see a rising sun and a fenix. Its earthenware base is independent decorated with acanthus leaves in blackened and gilded bronze. Find us on our website: <http://antiquites-perrusson.com>
