

Important Bronze Inkwell - Late Nineteenth

1 400 EUR

Period : 19th century

Condition : Excellent état

Material : Bronze

Width : 32 cm

Height : 26 cm

Depth : 26 cm

Description

Bronze inkwell with brown patina, representing a group of children with silky hair, naked, in a seated position on a rock. One of them pulls a fishing net to the edge of a river. This group rests on a large finely sculpted plant terrace. There are three cavities, closed with a floret of leaves, which can receive ink. This charming and poetic scene makes this delicately worked inkwell a rare object.

Period: Late 19th century

Excellent condition.
