Description

We present this set consisting of a belted table in walnut with umbrella legs matched with six original walnut extensions. On the photo we present only five of them. The dimension of the table is 130 x 118 cm, height 75 cm + six extensions of 52.5 cm, so that when stretched in all its splendor we obtain a total dimension of 4.45 m. Then, matched with this table, nine chairs in the Louis Philippe period model in perfect condition and also in walnut. These chairs have been used very little because they were in a second home and at the time they were completely refurbished by a renowned upholsterer. Price 3250 Euros + transport. (E)
