Description

Pretty very large art-nouveau vase with vine decoration by Daum. A great classic with this so-called "3-colour" vase with a decoration entirely cleared with vine acid against the light on a yellow, orange and acid green background. Beautiful finesse of engraving for this rich rotating decoration. Truly impressive piece, 61 cm in height, more than 6 kilos for this very stable vase. Production that can be dated from the 1910s, the signature on the crest (Daum Nancy "cross of Lorraine") testifies to this. Perfect condition, a very beautiful copy with rich colors, rare. Given the dimensions and weight of the vase, the shipping methods are to be defined with the buyer.
